Comments:

ELEXON: similar intention in the wording but doesn't match exactly

ELEXON: examples of expected controls not included.

ELEXON: examples of expected controls not included.

ELEXON: alternative wording, similar meaning, new PSL has stronger wording

ELEXON: examples of expected controls not included.

ELEXON: alternative wording, similar meaning, new PSL has stronger wording

ELEXON: Section 5.1.17 of this PSL sets out requirements to ensure that data is processed correctly. These sections have a similar aim, but are not the same.

ELEXON: Section 5.1.17 of this PSL sets out requirements to ensure that data is processed correctly. These sections have a similar aim, but are not the same.

ELEXON: Section 5.1.17 of this PSL sets out requirements to ensure that data is processed correctly. These sections have a similar aim, but are not the same.

ELEXON: Partly covered by "robust controls over software and computer systems will be needed" in 5.2.2.20

ELEXON: Section 5.1.17 of this PSL sets out requirements to ensure that data is processed correctly. These sections have a similar aim, but are not the same.

ELEXON: this is only partly covered in the old PSL. New PSL also covers acknowledging receipt.

ELEXON: examples not included.

ELEXON: this is only partly covered in the old PSL. New PSL also covers acknowledging receipt.

ELEXON: not entirely covered by this paragraph, in addition data shall be retained in a format which will allow items to be searched etc

ELEXON: not entirely covered by this paragraph, in addition data shall be retained in a format which will allow items to be searched etc

ELEXON: alternative wording, similar meaning.

ELEXON: these paragraphs only partly cover this

ELEXON: not entirely covered by this paragraph, in addition data shall be retained in a format which will allow items to be searched etc

ELEXON: specific data provided for the auditor only, not the Panel and not all data

ELEXON: not entirely covered by this paragraph, in addition data shall be retained in a format which will allow items to be searched etc

ELEXON: examples not included.

ELEXON: this is only partly covered in the old PSL. New PSL also covers acknowledging receipt.

ELEXON: not entirely covered by this paragraph. CVA MOAs only need to keep this kind of data for PNE claims

ELEXON: not entirely covered by this paragraph, in addition data shall be retained in a format which will allow items to be searched etc

ELEXON: This doesn't include fire protection requirements - is included in last requirement

ELEXON: (same comments for all PSLs on this row) not completely covered by this, new wording requires that they allow all industry participants to fulfill their obligations, not just Suppliers.

ELEXON: Partly covered by 5.2.2.21

ELEXON: examples of expected controls not included.

ELEXON: this PSL doesn't require the restriction of access to data/documentary evidence is restricted. Also, examples of expected controls are not included.

ELEXON: Partly covered by "robust controls over software and computer systems will be needed" in 5.2.2.20

ELEXON: Partly covered by "robust controls over software and computer systems will be needed" in 5.2.2.20

ELEXON: this PSL doesn't include a requirement for a formal employment policy. Also, in this PSL these are "minimum requirements" in the new PSL these are "basic requirements"

ELEXON: review and testing of Disaster Recovery plan is not included in this PSL, but is included in the new PSL.
