BSC RELEASE CIRCULAR – JUNE 2019 RELEASE

Date	15 April 2019
To	SVA Release Circular distribution
From	ELEXON Design and Delivery
Purpose	Review of EAC/AA Logical Design document amended for P367

What is the purpose of this Circular?

We sent out a Release circular on 25 March 2019, requesting you to review a number of Configurable Items (CIs) updated for P367 ("Removal of obsolete Supplemental Balancing Reserve (SBR) and Demand Side Balancing Reserve (DSBR) arrangements").

P367 also has a minor impact on the EAC/AA Logical Design document which is one of the software documents. This circular invites the BSC Parties to review the proposed changes to this document. The changes are redlined for your review.

Please return any comments to ELEXON at releases@elexon.co.uk, using the review form provided as Attachment 1 to this circular, by **17.00 on Tuesday, 30 April 2019**.

What's new for P367?

P367 will remove the now obsolete Supplemental Balancing Reserve (SBR) and Demand Side Balancing Reserve (DSBR) arrangements.

We have removed the reference to DSBR in this amended document.

Who is impacted by P367?

There are no impacts on the BSC Parties and Party Agents. There are no changes to the BSC Systems.

Is there anything else to note?

No.

Which BSC CI do I need to review?

The following amended BSC CI will require your review. Please click the link to review the changes.

No.	BSC CI (including link to redlined document)	Responsible Committee	Category
1	EAC/AA Logical Data Design	SVG	2

What will happen after the industry review?

ELEXON will consider all review comments and update the document as required. ELEXON will also inform the outcome of any comments to the relevant reviewer where necessary.

ELEXON

We will then take the document and a summary of any consultation responses to the Supplier Volume Allocation Group (SVG) for approval. The committee paper will note any comments that we didn't action and any subsequent course of action undertaken as a result.

When will the BSC Configurable Item become effective?

The CI will become effective on 27 June 2019 if approved by the SVG.

If you have any queries about this circular, please email Releases@elexon.co.uk
